

B42PN Undercounter Warewasher/Glasswasher

The B42PN is a compact undercounter dishwasher featuring automatic operation via a single 'start' button for chosen wash cycles. Equipped with upper and lower wash arms boasting multiple jets, it guarantees thorough wash and rinse coverage. The boost heater, interlocked with machine operation, ensures consistent sanitization. It incorporates new digital displays for easy temperature monitoring. Standard components include a drain pump, detergent pump, and rinse aid injector. Compliant with FSANZ safe food codes, the B42PN meets stringent health and sanitary standards with certifications in HACCP and WaterMark.

B42PN standard features and benefits
