

COLD ZONE ELECTRIC FRYER

EP18-FF-2/FD

Pitco's EP18 Cold Zone Electric Fryers provide the flexibility needed to support your frying needs. The large cold zone provides for crumb collection during frying, minimising the need for filtering. The 8 Button MIC003 computer control allows programming for up to 8 menu products. Large drain system, rear oil return, and simple 2-step filter operation make this fryer easy to filter. Designed for longevity, the robust pivoting element with safety shut off allows easy access to the tank bottom for cleaning. Sturdy construction and reliable control systems are designed to provide years of dependable, trouble-free operation with minimal maintenance required.
