

IEF1-X-700 ELECTRIC FRYER

The INDUC IEF1-X-700 electric fryer is designed for commercial kitchens, delivering efficient, reliable and flexible performance. A clear temperature indicator makes it easy to monitor and built-in thermal protection ensures safe operation.

It features a 16-litre oil tank, a cold oil compartment and a rotatable heating tube for easy cleaning. An adjustable thermostat controls temperatures from 60°C to 190°C, making it ideal for a range of frying needs. Its stainless steel construction, combined with a closed cupboard stand and adjustable non-slip feet, provides excellent stability, long-lasting durability and additional storage space.

The IEF1-X-700 is a dependable solution for any commercial kitchen.
