

SOLSTICE ELECTRIC FRYER

SE18-FD, SE18C-FD

The Pitco SE18 Filter fryer combines high-production electric frying and built-in oil filtration in one space-saving cabinet. Designed for performance and efficiency, it features fixed heating elements for consistent heat transfer and ENERGY STAR®-rated operation. The simple two-step filtration system helps extend oil life, while mercury-free contactors and stainless steel construction support long-term reliability. Ideal for busy kitchens that need powerful frying with easy daily maintenance.
